

**IN THE LYNNWOD MUNICIPAL COURT
COUNTY OF SNOHOMISH, STATE OF WASHINGTON**

In the Matter of the Present)
COVID-19 Emergency) GENERAL ORDER 2021-21
-----)

THE COURT finds that the emergency created by the COVID-19 pandemic continues to negatively impact the ability of this court to safely conduct jury trials and further negatively impacts all other court operations.

THE COURT has previously issued orders touching upon the court's duty to continue to conduct as much of the court's business as can be conducted while preserving the safety to all persons involved. While there are some indications that the pandemic may be improving and that vaccination may be contributing to public safety, this court is still unable to safely conduct jury trials.

THEREFOR the court further suspends jury trials from 15 March 2021 through 15 May 2021 and suspends the several speedy trial rules implicated accordingly. The court and counsel have been working on a plan to provide expedited bench trials, which procedure will be introduced shortly. All the other terms and conditions set forth in the court's previous general orders remain in effect.

This 10th day of March 2021.
